CAREER OBJECTIVE!

- Passionate and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, Python and modern design tools like Figma, Canva. Backed by hands-on experience through an internship, I am seeking a challenging role where I can contribute to creating responsive, user-friendly web applications while continuously learning and growing with a dynamic development team.

EXPERIENCE | INTERN

Mango DB Intern (Dec 2024)

- The internship at Code Core Global HiTech Solutions was an enriching experience that enhanced my understanding of database systems and their real-world applications. The hands-on work with MongoDB, coupled with the guidance of experienced professionals, has equipped me with valuable skills for my future career in software development.

Web Development Intern

(FEB 2025-MAR 2025)

- Completed a one-month intensive internship in front-end and full-stack web development. Built responsive web pages using HTML, CSS, JavaScript, and Bootstrap. Developed and deployed 3+ projects, explored MongoDB and Node.js, and gained experience with Git and remote collaboration. Praised for commitment, creativity, and timely delivery.
